

■ **CLOSURES ON U.S. 13 SCHEDULED:** Motorists on U.S. 13, north of Smyrna, will encounter nighttime detours Monday through May 24 as Delaware Department of Transportation crews install the steel beams for a Del. 1 bridge over the highway.

The bridge crosses the highway between Pine Tree Road and Del. 71. Access to homes and businesses on U.S. 13 will be maintained, but through traffic will be detoured. Depending on weather or other unforeseen conditions, the work could extend into the following week, DelDOT said in a statement.

From 9 p.m. until 5 a.m. Monday through May 17, southbound U.S. 13 will be closed. Traffic will be detoured right onto Pine Tree Road, then left onto Del. 71 back to U.S. 13. A single northbound lane will be open.

From 9 p.m. until 5 a.m. May 21 through 24, northbound U.S. 13 will be closed. Traffic will be detoured left onto Del. 71, right onto Pine Tree Road, then left again onto U.S. 13. Two southbound lanes will be open.

For the latest traffic information, visit [www.deldot.net](http://www.deldot.net) or tune to WTCM, 1380-AM.
